

Memo

To: Trustee Konicek Hannigan
From: Robert Kosin
cc: Board of Trustees, Village President
Date: September 25, 2015
Re: Zoning Board of Appeals Meeting 9.21.15

This is to advise you that on September 21, 2015 the Zoning Board of Appeals dispensed with three (3) special use applications for artificial lakes as follows

300 Donlea – Continued to another day and time to obtain engineering information at the request of the Village Engineer and a revised property survey.

385 Spring Creek – Approved with the condition that an easement would be established between property owners to include the required work on the adjoining property.

789 Plum Tree – Approved with the condition that engineering information as provided will be reviewed by the Village Engineer as well as comments received from State and Federal permitting authorities.

An audio recording of the meeting can be found at
